Hiwassee College's coaching staff of Head Coach Jamie Ensley and Assistant Coach Mike Cline will be in charge and conducting its annual summer camps. These camps are in place to help and strengthen softball in Monroe County. These camps will teach basic skills and fundamentals that they will need to get to the next level. Fundamentals and proper mechanics will be stressed in a low pressure, fun environment so that campers will achieve success. These camps are a great opportunity to get a head start on progressing as a player as well as give you the necessary instruction needed for continuous improvement. Coaches Ensley and Cline are committed to help the game of softball spread and grow throughout Monroe County and East Tennessee.

Campers will be receiving fundamentals on all aspects of the game. Campers will be grouped based on age and position. Coaches and parents are welcomed to observe camp at any time.

Coach Ensley and Coach Cline who have years of experience and success with coaching youth all over East Tennessee will oversee the camps. There will also be many collegiate players from Hiwassee on hand to assist, help, and teach players to play softball the right way.
