

HIWASSEE COLLEGE

2017 -2018 Cost of Attendance Budget

Each year, Hiwassee College develops student expense budgets (cost of attendance), using US Department of Education guidelines. These are used to determine students' financial need at Hiwassee. Students' expense budgets include approximate tuition and fee costs, as well as allowances for the cost of books and supplies, transportation, food, housing, and personal expenses. These expense budgets represent the maximum amount of financial aid that students may receive from all sources, including student loans.
